Senior Living Residence

Located five-minute walk from the sea, the park, the commercial centre, the clinic and the heart Cap Tamarin Smart & Happy Village with its large pedestrian area, Freedom Hill Senior Residence consists of 52 modular apartments designed for active and autonomous seniors.

In a comfortable and secure environment, Freedom Hill has been conceived in a way that simplifies your daily life and invites you to live in complete independence. It offers numerous shared areas such as a garden, a heated swimming pool, a TV and games room and a library, which will allow you to share moments of conviviality while maintaining your intimacy.

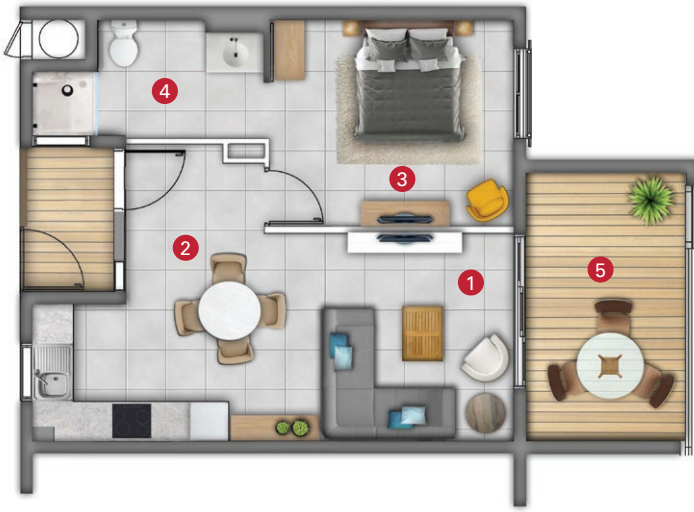

Free yourself from your daily constraints and enjoy your retirement to the fullest with the variety of services of hotel standards, à la carte, proposed by our concierge.
